

TABLE 4. Selected Statistics, by Employment Size of Establishment: 1963-continued

Item	Establishments, total	Establishments with an average of~									
		0 to 4 employees	5 to 9 employees	10 to 19 employees	20 to 49 employees	50 to 99 employees	100 to 249 employees	250 to 499 employees	500 to 999 employees	1,000 to 2,499 employees	2,500 employees and over
Producing establishments, by type of operation—Continued											
Quarries with preparation plants—Continued											
Open quarries with screening, but no	7	2		4	2		2	-	-	-	
	1			2	1						
	1	1		1							
Open quarries with washing, but no	6	1			2						
Open quarries with other preparation	2	1			2						
Underground quarries with crushing	8	3									
Combination open and underground	1										
6											
Separately operated preparation plants: With crushing only do	6										
With crushing and screening do											
With crushing, screening, and washing											

- Represents zero.

(D) Withheld to avoid disclosure. Data for this item are included in the underscored figures at the left.

Includes figures for employees at some separately reported central offices and related facilities. These were not distributed by size of establishment for subindustries. Crushed and Broken Limestone and Crushed and Broken Stone, N.E.C.

TABLE 5 Industry-Product Analysis—Summary of Industry Shipments and Receipts and Shipments of Primary Products: 1963 and 1958:

(In thousands of dollars)									
Ind code	Industry and year	Value of shipments and receipts of establishments classified in the industry or subindustry					Value of shipments of primary products of the industry or subindustry shipped by establishments in all industries		
		Total	Primary products	Secondary products	Receipts for services	Products purchased and resold without further processing	Total (produced in all industries)	Produced in this industry or subindustry	Produced in other industries or subindustries
141	Dimension stone industry 1963	19,735	18,525	656	32	522	25,630	18,525	7,105

Standard Notes: - Represents zero. (D) Withheld to avoid disclosing figures for individual companies. (NA) Not available. (X) Not applicable.

* Represents net shipments (gross shipments less the cost of stone received for preparation).

Includes the estimated value of crushed and broken stone produced and used in the same manufacturing establishment in the manufacture of cement, lime, and other manufactured products.

 Excludes data for Alaska and Hawaii.
